

WESTERN EXCELSIOR STATE APPROVALS UPDATE

EXCEL PRODUCT LINE ACCEPTED FOR USE IN MULTIPLE STATES

Release Date: 5/23/07

Western Excelsior actively engages in product approvals with every state. In doing so, Western Excelsior is supporting its distributor network and ensuring each product meets the standards set forth by every state. Recently, Western Excelsior applied for acceptance in Alabama, Alaska, Minnesota, Arkansas, Wisconsin, Kentucky and Tennessee for temporary Erosion Control Blankets (ECBs) and permanent Turf Reinforcement Mats (TRMs). In each case, the state agency recognized the quality and performance of the Western Excelsior manufactured Rolled Erosion Control Product (RECP) and granted acceptance for each product. Table 1 presents a summary of the the newly approved products.
